

“...although there have been major efforts to increase access to ... information and communication technologies, their costs remain prohibitive in many developing countries. ... Present a hindrance to development... I call upon all members of the global partnership to deliver on their promises. Only four years remain. The stakes are high, but so are the rewards.”

**Ban Ki-moon,**  
**Secretary-General of the United Nations (2007-2017)**

## Partnership to Empower Learning Environment through Technology

### EXECUTIVE SUMMARY AND PROFILE

<b>About</b>	<b>Foundation MILLENNIUM@EDU SUSTAINABLE EDUCATION</b> is a Non-Profit and Non-Governmental Organization, incorporated September 15, 2013, with registered office in Geneva, Switzerland. Registered at the Geneva Registry of Commerce, December 5, 2013 under registration number CH-660-3080013-3 and IDE/UID no. CHE-280.104.593.
<b>Mission</b>	Contribute to the achievement of the <b>Sustainable Development Goals (SDGs)</b> through the use of Information, Communication and Scientific Technologies (ICSTs) in Learning and Education while fostering key <b>21<sup>st</sup> Century Literacies and Skills</b> .
<b>Sustainable@EDU SOLUTIONS</b>	The <b>Sustainable@EDU SOLUTIONS</b> is a comprehensive concept that covers information system, management tools, decision support system, computer devices of any type, operating systems, productivity tools, functionality tools and educational content and services, as well as a pedagogical model. <b>Sustainable@EDU SOLUTIONS</b> includes the <b>Solution@EDU PROJECT</b> , <b>Solution@EDU CAMPUS &amp; SCHOOL</b> and <b>Solution@EDU CLASSROOM</b> .
<b>Multi-stakeholder Initiative</b>	The <b>Sustainable@EDU PROGRAM</b> , in line with the <b>Millennium@EDU SUSTAINABLE EDUCATION</b> approach, is a <b>multistakeholder Initiative</b> to support the development of comprehensive <b>SUSTAINABLE EDUCATION PROJECTS</b> , referred as <b>Sustainable@EDU PROJECTS</b> .
<b>Engaging Local Promoters and Global Partners</b>	The <b>Initiative</b> includes the establishment of <b>Projects</b> led by <b>Local Promoters</b> from the public and private sector to boost the local tech industry with the support of global tech companies and answer to the appropriate needs of the communities where the <b>Sustainable@EDU Projects</b> are developed.
<b>SDGs – Sustainable Development Goals</b>	<b>Millennium@EDU SUSTAINABLE EDUCATION</b> is aligned with the <b>United Nations Sustainable Development Goals (SDGs 2015-2030)</b> in accordance with the <b>Resolution adopted by the General Assembly on 25 September 2015</b> (Adopted in the United Nations Sustainable Development Summit 2015 – “ <b>Transforming our world: the 2030 Agenda for Sustainable Development</b> ”).
<b>Program Actions</b>	<p>§ 1. <b>Sustainable@EDU PROJECT</b> is a Framework to plan, implement and evaluate a sustainable education project based in four dimensions (economic, social, environment and educational) in line with <b>United Nations Sustainable Development Goals (SDGs)</b>.</p> <p>§ 2. <b>Sustainable@EDU FLAGSHIP INITIATIVES</b> are operational frameworks to put in action the <b>Sustainable@EDU PROGRAM</b>, promoting the information and knowledge about <b>World Challenges</b>, particularly the <b>Sustainable Development Goals (SDGs)</b> as <b>21<sup>st</sup> Century Literacies</b>, according with the <b>UNESCO Document “Education for Sustainable Development Goals – Learning Objectives”</b>, through the use of <b>Information, Communication and Scientific Technologies (ICSTs)</b>, in learning and educational initiatives, and simultaneously supporting the acquisition of <b>21<sup>st</sup> Century Skills</b></p> <p>§ 3. <b>Sustainable@EDU FLAGSHIP PROJECTS</b> are Comprehensive Initiatives at regional, national, or local level that make accessible the benefits of <b>Information, Communication and Scientific Technologies (ICSTs)</b> to address learning, education and inclusion and are aligned with <b>Sustainable@EDU CONCEPT</b>.</p>
<b>Program Timetable</b>	<b>Millennium@EDU SUSTAINABLE EDUCATION</b> was launched in <b>September 26, 2012, in NYC</b> , and was <b>Presented as a Commitment to the Global Education First Initiative by Mr. Ban Ki-moon, United Nations Secretary General</b> .  The expected duration of the <b>Sustainable@EDU Program</b> is up to 31 December 2030. Further extensions shall be possible under stakeholders’ decision.
<b>Collaboration Model</b>	<b>Sustainable@EDU Program</b> is a unique idea, it is not exclusive or intended to be exclusive. It is an open <b>Initiative</b> that can collaborate with other projects, either those already existent or to be developed in the future.
